Variable Rates: Your Annual Percentage Rate (APR) and corresponding daily periodic rate may increase or decrease if the prime rate as published in the Wall Street Journal (Western Edition) on the last day of the prior month increases or decreases. Your APR will be determined by adding a margin of 3.50%-6.00% to the index. The APR will never be higher than the maximum rate allowed by law. Any adjustment to the APR will take effect the first day of the new billing cycle. Any increase in the APR will result in a greater number of monthly payments
